

CV power

Cars | Aircraft engines | Helicopters

Your peace of mind is our highest priority

Did you know that Cargolux regularly carries large aircraft engines to Boeing in Seattle, including those that power its own, dedicated fleet of 747 freighters?

Did you know that major car manufacturers rely on Cargolux's proven expertise to fly valuable prototypes across the world?

Did you know that, every day, high-precision engines and machines are entrusted to the experienced hands of Cargolux?

If you're in the business that powers this world, Cargolux is your perfect vehicle. We have a dedicated team that creates solutions where others see problems. We have dedicated aircraft that are purpose-built for cargo. We have the passion that drives an industry. We have a commitment to quality. We have the tools and the expertise. We have attention to detail. Cargolux has the power.

**On average,
we transport over**

36 000 tons

per year

Your benefits with CV power

- Foremost player in the engine-empowered transportation market
