

You name it, we fly it

If you think general cargo doesn't require specialists, think again! More than over 50 years, Cargolux has fine-tuned its expertise and experience in the art of transporting traditional cargo on a fleet of dedicated freighter aircraft. Attention to detail and highly-skilled handling have made Cargolux Europe's number one supplier of air cargo services. Our airline's global network provides connections to all major manufacturing gateways.

Europe's
No 1
all-cargo airline

A growing fleet of Boeing 747-400F and 8F that can accommodate all types of cargo

Your benefits with CV classic

Our hub in Luxembourg

At our Luxembourg hub, we benefit from the high-quality service offering of one of Europe's most advanced and best equipped air freight handling centers. All details were designed to make acceptance, transfer and delivery processes as smooth and efficient as possible. As a dedicated air freight platform, the distances between warehouse and tarmac are extremely short to ensure the swift movement of goods from aircraft to dedicated and secured storage premises.

- Annual capacity 1.2 million tonnes
- 85,500 m² warehouse space
- 113 truck docks and ample truck parking positions
- 35 pallet breakdown and 49 pallet build-up stations
- Fully-automated stacker system with 1,640 ULD positions
- The world's first fully GDP certified air freight platform

over **55**
years of dedicated
expertise and experience
in the transport of general cargo

The Cargolux advantage

- Dedicated fleet of modern 747-8 and 747-400 freighters designed to accommodate all types of commodities on the same flight
